EXPERIENCE

Accounts Receivable – Accountant

American Guard Services Inc.

August 2024 – Present, Torrance, CA

- Proficient in NetSuite for full-cycle accounts receivable, including invoice generation/distribution, payment tracking, dispute resolution, and custom financial report creation. Manage receivables for high-profile accounts such as Kroger, DHL (nationwide), Superior Grocers, and multiple state government contracts.
- Skilled in Excel (pivot tables, advanced formulas) for data analysis, reconciliations, and performance tracking; adept at integrating data between NetSuite and Excel for detailed reporting.
- Perform daily bank reconciliations to maintain accurate cash flow records, identify discrepancies, and ensure timely resolution; collaborate with the accounting team to support month-end close for a nationwide client portfolio.

Financial Assistant (Contract/Project-Based, Remote)

WestCal Academy (Nonprofit)

March 2024 – Present, Long Beach, CA

- Partner with leadership on special financial projects, including annual budget planning, grant tracking, and strategic resource allocation.
- Created complex Excel-based tools for accurate budget projections and clear financial reporting, enabling data-driven decision-making.
- Support AP/AR operations on a project basis, ensuring accuracy, compliance, and timely completion of deliverables.

Maritime Security Guard

American Guard Services Inc.

January 2022 – July 2024, Port of Los Angeles

- Operate X-Ray Machines to scan bags, belongings, and items carried by guests.
- Monitor and patrol assigned zones, promptly responding to security breaches and suspicious activities.
- Interact courteously and professionally with guests undergoing the security screening process.

Custodian

Kellermeyer and Bergensons Services LLC

March 2019 – December 2021, Torrance, CA

- Efficiently drove and operated a floor scrubber to maintain the cleanliness of large warehouse floors, ensuring a tidy and safe working environment for employees and visitors.
- Performed thorough cleaning/sanitation of restrooms and regularly emptied and replaced trash cans throughout the facility, disposed of waste properly in various sections of the warehouse. (Inside and outside).
